1. DROP LIKE A ROCK. That's what many will do. When they find me, not; when they find the notme, is not them, but that "both of us". Will BE us; not; but were. Now we're one. And two-not any more; we're oneing flesh. All flesh, not; just the "want to be's" who are "bees" not; "workers" not, but "resters", resting in my "flesh" not; but resting in the "spirit" of one who's holy and knows it. Now sees here. And makes abode here. Permanently not, permanently and forever.
2. See here, what i've given thee. Entrance into Israel proper FROM here. And HERE being WHAT WHERE? IS TOMORROW, YET? HERE. I AM –VILLE MADE WHOLE.
3. FROM NOTHING. BUT LOVE.

4. I love you all.
5. Good night!
